Monther Abdelrazek

Software Developer

Amman, Jordan | monther.abdelrazek@gmail.com | +962 78 086 2010
Portfolio | github.com/monther20

PROFILE

Software developer focused on responsive web and mobile products. I work with React, Next.js, React Native, and TypeScript. I also focus on web performance, internationalization, and API integrations.

EXPERIENCE & SELECTED WORK

Frontend Developer Trainee | AlphaWorks

Jul-Nov 2025 / eZorro / React, AI Chat, Market Research

- Developed responsive React interfaces for AI-powered market research and portfolio analysis.
- Implemented real-time AI chat with streamed responses and clear loading and response states.
- Built interactive reports for strategy backtesting, alternative data research, and brokerage-connected portfolio analysis.

Frontend Freelancer | Reachlet

2023-2025 / Reachlet / React Native, Mixpanel, Sentry

- Developed auto-scrolling image and video campaigns with QR-linked actions.
- Integrated Mixpanel product analytics and Sentry production error monitoring.
- Built connectivity-aware controls, including automatic hotspot activation and in-app internet status management.

TECHNICAL SKILLS

React / React Native | Next.js / TypeScript | CSS | Tailwind CSS | React Query | Node.js / API Integrations | Three.js / WebGL | React Three Fiber

EDUCATION

B.Sc. Computer Science

Jordan University of Science and Technology | Expected graduation: 2027.
